

Raise a Reader Month-By-Month

The Youth Department at RHPL is excited to invite you and your infant born on or after January 1, 2011 to participate in Raise a Reader Month-by-Month!

After receiving a library card, you and your child will visit the Youth Desk each month and receive a brand new boardbook through his/her first birthday. You will also receive information about literacy development because it is never too early to start raising your reader!

If you would like to participate in this program, please fill out the information below and return it to the Youth Services desk. If you have any questions, please give us a call! 248-650-7140.
