**“Rochester Junior Woman’s Club is looking for New Members”**

**Rochester, MI September 21, 2007** --. Rochester Junior Woman’s Club (RJWC) is a volunteer service organization who has been a part of the Rochester community for more than 50 years. We are committed to providing support to many charities and non profit organizations through hands on volunteering as well as fund-raising.

Since our inception, we have donated over 1 million hours of community service and raised more than \$600,000 to support our local community.

Historically, our members were instrumental in founding many pieces of the Rochester Community and helped it develop into what it is today. The Rochester Community House, Crittenton Hospital, the Rochester Hills Public Library, the Rochester YMCA, the Older Persons Commission and the League of Women Voters were all started with the support of RJWC members.

Today, we continue the tradition of serving our community by providing funds and hands-on volunteering. The Paint Creek Center for the Arts, Special Olympics, the Older Persons Commission, and Dinosaur Hill Nature Center receive a great deal of support, in a variety of ways. We have helped mastectomy patients by providing funds for the Crittenton Hospital Auxiliary. Our recent fund-raisers benefited the Rochester Heritage Festival, the restoration project at Meadow Brook Hall, and Paint a Miracle.

Fund-raisers this year will benefit the OPC, Meals on Wheels, South Oakland Shelter, Rochester Hills Museum at Van Hoosen Farm and Meadow Brook Hall Garden Club and other charities.

Our organization is proud to contribute so much to our community and we give to each other the gift of friendship and caring, true fellowship and support.

We welcome new members all year long. Our meetings are held the third Thursday of every month (Sept - May) at the Rochester Community House 816 Ludlow. To learn more about our club, please join us on Thursday October 11<sup>th</sup> at 7:00 pm at the Rochester Community House for our annual orientation meeting.
