Rochester Hills Public Library

500 Olde Towne Road, Rochester, MI

Mission:

Rochester Hills Public Library empowers people to explore and create with resources that enlighten, educate, entertain, and inform.

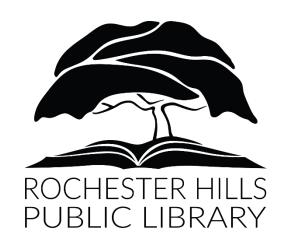

June 10, 2025 – 7 p.m.

Agenda

- I. Call to order of the regular meeting
- II. Public Comments*
- III. Approval of the Agenda
- IV. Minutes of regular meeting on May 13, 2025
- V. Treasurer's Report for May 2025
- VI. Monthly bills for May 2025 in the amount of \$714,257.52
- VII. Communications
 - a. Customer Comments
 - b. Press Coverage
- VIII. Reports
 - a. Library Director
 - b. Statistical Report
 - IX. Committee Updates none
 - X. Other Business
 - a. Discussion of proposed contract between RHPL and the City of Rochester
 - XI. Board Comments
- XII. Questions and Comments from the Liaisons
- XIII. Adjournment

^{*}Each individual shall state their name, municipality, and will be permitted 3 minutes of comment time.

Minutes

Rochester Hills Public Library Board of Trustees Meeting May 13, 2025

I. The Board of Trustees of the Rochester Hills Public Library held a regular meeting on Monday, May 13, 2025. The President called the meeting to order at 7:00 pm in the boardroom of the library. The presiding officer was Bob Bonam.

A quorum of the board included Melinda Deel, Anne Kucher Madge Lawson, and Harper West.

Julianne Reyes was absent with prior notice given. Anne Kucher served as the Acting Secretary for the May meeting.

Guests included Library Director Juliane Morian, and Brad Basa and Tom Oziem who are engineering consultants at Synergy Consulting Engineers. Zach Benedict, Principal at MKM Architecture + Design attended the meeting remotely.

One member of the public was present.

- II. Public Comments none
- III. Presentation of the RHPL Facilities Condition Assessment
 - A. Mr. Basa, Mr. Oziem, and Mr. Benedict led the board through a presentation of their methodology and findings related to completing a comprehensive building assessment. The full report was included in the May board packet. Much of their presentation focused on items flagged with high urgency for repair or updates such as the entryway pavers, automatic doors, and full overhaul of the HVAC systems.
 - 1. There was a question from Ms. Lawson in regards to sufficient footprint to replace things like air-handling units. Mr. Basa confirmed that often the replacement parts will be smaller than the existing units, so where the equipment will reside will not need to change. He did advise that the lead-time on procuring parts was exceptionally long, and that RHPL should plan 8-10 months in advance of the project start date to acquire HVAC equipment.
 - 2. There was a question from Ms. West in regard to window replacement. Mr. Benedict stated that it would be fairly easy to determine if the windows identified as deficient were a result of expected problems typically seen at end-of-useful-life or if there were extenuating building envelope problems as it related to water infiltration. Ms. Morian said she would follow up with the Facilities Manager to investigate this particular issue.
 - 3. There was a conversation about the trends in commercial buildings to add more unisex bathrooms, as opposed to the communal gendered bathrooms. Mr. Benedict strongly encouraged RHPL to consider space and budgets to determine if it could support using only unisex bathrooms/family-style bathrooms moving forward with building renovations.

- B. The team from Synergy Consulting Engineers concluded their presentation and informed the board that they can be used as procurement specialists on a project-by-project basis, or retained as an owner's agent for long-term needs. The use of a third-party consultant such as Synergy equips the library with an objective team of quality-control specialists and frees up library board and staff to focus on long-range planning. Costs for this level of consultation and expertise is typically .5% of the total project cost.
- C. The board and Ms. Morian thanked the consultants for their review and they left the meeting at 7:50pm. Ms. Morian said she would prepare a high-level timeline of building improvements for the board to review at a future RHPL board meeting.

IV. Approval of the Agenda

A. On a motion by Ms. West, which Ms. Deel seconded, the agenda was unanimously approved as presented with no discussion.

V. Minutes

- A. On a motion by Ms. West, which Ms. Deel seconded, the board unanimously approved the meeting minutes from April 8, 2025 with no changes or additional discussion.
- VI. The Treasurer's Report was reviewed and filed.

VII. Monthly Bills

A. On a motion by Ms. Deel, which Ms. Lawson seconded, the board unanimously approved the monthly bills for April 2025, which totaled \$416,511.56 with no discussion.

VIII. Communications

A. The board reviewed and filed the communications

IX. Reports

- A. The board reviewed and filed the director's report and the statistical report.
 - 1. The Oakland Township Library Board President was not in attendance to provide comments regarding his community so Ms. Morian relayed what she had learned from him about the Oakland Township Library Board's progress towards securing funding for a new library contract with RHPL. Ms. Morian said that OTLB would be putting forth two ballot proposals on the August 5, 2025 special election in Oakland Township (RHPL will serve as the early voting site). One ballot proposal will be for a renewal of the existing millage (set to expire in 2026) and the second one will be for an additional millage to cover the difference between the 2026 millage and the agreed upon millage rate outlined in the contract negotiations.
 - 2. There was no official update from the City of Rochester regarding the status of their contract renewal with RHPL, but Ms. Morian indicated that she is aware that city administrators in Rochester are actively working to present an updated RHPL with Rochester City Council before June 30, 2025.
 - 3. The board thanked Ms. Morian for securing a sizable grant from the Rochester Rotary Club to be used in the youth services room as part of a remodel of that

space. The board also congratulated Ms. Morian for being nominated to the Rochester Rotary Club's executive board.

X. Committee Reports - none

XI. Other Business

- A. Ms. Morian presented two options for updating spaces to accommodate new staff workspaces which would be more efficient for the staff and free up space that can be used by the public and patrons. The board provided tacit approval to continue research options. Ms. West suggested that if either project could wait until a new architect was retained for their opinion on the spaces, that may be prudent.
- B. Ms. Morian also presented a quote from a trusted vendor on modernizing the elevator per 2028 code compliance. The quote was in excess of \$80,000 and as a result Ms. Morian said they would put this project out to bid to ensure competitive pricing.
- C. Ms. Morian reiterated that over the next few months, she will walk the board through options to select and retain an architect and construction firm for building improvement projects.

XII. Board Comments

- A. Ms. Deel said that she attended the Wine, Wit, and Wisdom fundraisers on April 26th and thanked the Friends for hosting such a lovely event (per usual). She also said that she felt fortunate to attend the Authors in April (AIA) banquet and expressed her thanks to the AIA board for bringing amazing authors to the Rochester area and enlightening our community with a time-honored event.
- B. Ms. Kucher stated that she also attended the Wine, Wit, and Wisdom fundraiser the the AIA banquet and reiterated what Ms. Deel said.

XIII.	Questions from the Liaisons - none
XIV.	The regular meeting adjourned at 9:08 pm.
Anne I	Kucher, Acting Secretary

Treasurer's Report

Capital One P.O. Box 4069 Carol Stream IL 60197-4069-69 իլյել|Ալ||եկ|Աւեւել-լ|ելելլեւ-լ|ել||Ալ|լիգ|Աւժեւլ|եւ How can I Avoid Paying Interest Charges? If you pay your New Balance in full by the due date each month, we will not charge interest on new transactions that post to the purchase balance. If you have been paying in full without Interest Charges, but fail to pay your next New Balance in full, we will charge interest on the unpaid balance. Interest Charges on Cash Advances and Special Transfers start on the transaction date. Promotional offers may allow you to pay less than the total New Balance and avoid paying interest on new transactions that post to your purchase balance. See the front of your statement for additional information.

How is the Interest Charge Determined? Interest Charges accrue from the date of the transaction, date the transaction is processed or the first day of the Billing Cycle. Interest accrues daily on every unpaid amount until it is paid in full. Interest accrued during a Billing Cycle posts to your account at the end of the Billing cycle and appears on your next statement. You may owe Interest Charges even if you pay the entire New Balance one month, but did not do so the prior month. Once you start accruing Interest Charges, you generally must pay your New Balance in full two consecutive Billing Cycles before Interest Charges stop being posted to your Statement. Interest Charges are added to the corresponding segment of your account.

<u>Do you assess a Minimum Interest Charge?</u> We may assess a minimum Interest Charge of \$0.00 for each Billing Cycle if your account is subject to an Interest Charge.

<u>How do you Calculate the Interest Charge?</u> We use a method called Average Daily Balance (including new transactions).

- 1. First, for each segment we take the beginning balance each day and add in new transactions and the periodic Interest Charge on the previous day's balance. Then we subtract any payments and credits for that segment as of that day. The result is the daily balance for each segment. However, if your previous statement balance was zero or a credit amount, new transactions which post to your purchase segment are not added to the daily balance.
- 2. Next, for each segment, we add the daily balances together and divide the sum by the number of days in the Billing Cycle. The result is the Average Daily Balance for each segment.
- 3. At the end of each Billing Cycle, we multiply your Average Daily Balance for each segment by the daily periodic rate (APR divided by 365) for that segment, and then we multiply the result by the number of days in the Billing Cycle. We add the Interest Charges for all segments together. The result is your total Interest Charge for the Billing Cycle.

The Average Daily Balance is referred to as the Balance Subject to Interest Rate in the Interest Charge Calculation section of this Statement.

NOTE: Due to rounding or a minimum Interest Charge, this calculation may vary slightly from the Interest Charge actually assessed.

How can I Avoid Membership Fees? If a Renewal Notice is printed on this statement, you may avoid paying an annual membership Fee by contacting Customer Service fewer than 40 days after the annual membership Fee was assessed to request that we close your account. To avoid paying a monthly membership Fee, close your account and we will stop assessing your monthly membership Fee.

How can I Close My Account? You can contact Customer Service anytime to request that we close your account.

How do you Process Payments? When you make a payment, you authorize us to initiate an ACH or electronic payment that will be debited from your bank account or other related account. When you provide a check or check information to make a payment, you authorize us to use information from the check to make a one-time ACH or other electronic transfer from your bank account. We may also process it as a check transaction. Funds may be withdrawn from your bank account as soon as the same day we process your payment.

How do you Apply My Payment? We generally apply payments up to your Minimum Payment first to the balance with the lowest APR (including 0% APR), and then to balances with higher APRs. We apply any part of your payment exceeding your Minimum Payment to the balance with the highest APR, and then to balances with lower APRs.

Billing Rights Summary (Does not Apply to Small Business Accounts)

What To Do If You Think You Find A Mistake On Your Statement: If you think there is an error on your statement, write to us at:

P.O. Box 30285, Salt Lake City, UT 84130-0285.

In your letter, give us the following information:

- Account information: Your name and account number.
- · Dollar amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us or notify us electronically, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question. We will notify you in writing within 30 days of our receipt of your letter. While we investigate whether or not there has been an error, the following are true:
- We cannot try to collect the amount in question, or report you as delinquent on that amount. The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question until we send you a notice about the outcome of our investigation, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit. Within 90 days of our receipt of your letter, we will send you a written notice explaining either that we corrected the error (to appear on your next statement) or the reasons we believe the bill is correct.

Your Rights If You Are Dissatisfied With Your Purchase: If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, the following must be true:

- You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify; and
- 2) You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: P.O. Box 30285, Salt Lake City, UT 84130-0285. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

Customer Service 800-867-0904

Changing your mailing address?

You can change your address by signing into your account online or by calling Customer Service.

Any written request on this form will not be honored.

How do I Make Payments? You may make your payment in several ways:

- 1. Online Banking by logging into your account;
- 2. Capital One Mobile Banking app for approved electronic devices;
- Calling the telephone number listed on the front of this statement and providing the required payment information;
- Sending mail payments to the address on the front of this statement with the payment coupon or your account information.

When will you Credit My Payment?

- For mobile, online or over the phone, as of the business day we receive it, as long as it is made by 8 p.m. ET.
- For mail, as of the business day we receive it, as long as it is received by 5 p.m. local time at our processing center. You must send the bottom portion of this statement and your check to the payment address on the front of this statement. Please allow at least seven (7) business days for mail delivery. Mailed payments received by us at any other location or payments in any other form may not be credited as of the day we receive them.

Patron Refund Incident and Process Improvement

A recent incident was reported involving a patron who stated that the self-service machine "ate" her \$1 bill and failed to dispense change. According to the patron, the bill was inserted at the incorrect time, and neither the machine nor the librarian at the desk was able to return the funds. The patron also approached the front desk for a refund, but as standard practice, staff are not authorized to issue refunds for printing or vending machine errors due to accounting controls.

Upon review, the situation described by the patron should not be technically possible. The bill acceptor is only active during appropriate transaction windows, and if it were active and not all funds were used, the machine is designed to automatically dispense the remaining change.

In this case, the librarian on duty ensured the patron received the 25¢ color print she intended, and IT followed up by issuing a 75¢ refund as a customer service measure.

To help reduce future issues and streamline support, IT has implemented a standardized refund protocol for librarians. This protocol outlines steps to follow if the machine fails to dispense change or if the credit card payment system malfunctions.

Bryan Yostos IT Department

IT Process Improvement for Handling Printing Refunds at Front Desks

Hello all,

I ran into this problem a couple times in the last few months, so this doesn't happen very often, but I wanted to let everyone know anyway!

If you have a patron who used a credit card, and didn't get the amount of prints they needed, or the printer jammed and didn't release all the prints: feel free to print any amount of copies for free.

However, if the patron accidentally charged too much on their credit card, by paying for too many copies or prints that were unneeded, please <u>fill out this machform</u>, and IT will process the refund as soon as possible.

Please note, credit refunds can take 3-7 days to show up on the patrons account. Also, the \$10 holding fee will not be the final fee on the patron's account. Only the amount of paper, either color (25¢) or b&w (10¢), that comes out of the printer will be charged to the credit card.

This doesn't happen frequently, so if you notice this becoming a constant issue, please let IT know and we will investigate any issues.

As always, if a patron used cash, and for whatever reason, the machine did not give out their change, feel free to refund in cash as needed. Please send an IT ticket if you run out of change.

This information will also be added to the current printing guide(available on the intranet under IT > How To Guides).

Thank you!

Bryan Yostos IT Department "I was here on the 16th to print some papers, but I had them on the wrong format, I ended up still sending the file which had 20 pages and it charged me for 20, but it didn't print anything, I talked to the person that was working in outreach, and they told me to reformat and send via email, because they would print it for me, but when I reformatted the file, it shrunk from 20 pages to 7, but I still got charged for 20 despite only having printed 7 pages.

Transaction was 4:35 pm on 5/16 in Outreach for \$5.25

This patron answered my call on 5/21, he was mostly worried about the original 20 page cost on his credit card. After confirming the last 4 digits of the credit card, we refunded the full amount.

Patron didn't have any specific complaints about the printing system, only that he accidentally charged for 20 pages. Was very gracious and happy for the refund.

We hope our more structured refund protocol for the librarians will help resolve these types of issues a bit quicker.

Rochester Hills Library Adds Year-Round Sunday Hours, Launches Summer Reading Program

(RHPL, May 28, 2025)

Rochester Hills, MI – Thanks to the overwhelming approval of a new millage in August 2024, Rochester Hills Public Library will continue Sunday hours into the summer months, keeping its doors open from 1-6 p.m.

"RHPL had previously eliminated Sunday hours from June to August as a cost-cutting measure, allowing the library to avoid limiting hours during the week," said Bob Bonam, President of the Board of Trustees. "One of the promises made to voters last summer was that the library would add 70 operating hours annually by remaining open throughout the weekends, year-round, if the additional tax revenue was secured to fund the cost. We are pleased to deliver that promise to our dedicated patrons."

Referring to the new early literacy bus and increased budgets for materials, Director Juliane Morian said, "We are grateful for our patrons, and we're happy to say that we have already been able to deliver on several promises made to voters during the 2024 millage campaign. Staying open throughout the summer is a goal we have been working on for years. Part of being a public library means being there for patrons, and by adding 5 hours to every week this summer, we can continue to provide a community space 7 days a week."

The new hours arrive just in time for RHPL's Summer Reading Challenge, which runs from June 14 to August 9, and kicks off on Saturday, June 14, from 12-2 p.m. with free family fun at the library. Enjoy ice cream, inflatables, a non-profit fair, and a potting bench offering propagated plants from the library's own collection. Patrons can beat the crowd and sign up at rhpl.beanstack.org to track their reading and win prizes all summer long, and display their Spread Library Love yard signs for an additional chance to win with this summer's prize patrol.

For more information about the Summer Reading Challenge, visit rhpl.org or call 248-656-2900.

Library Director's Report

Director's Report

June 10, 2025

1. New Early Literacy Bookmobile

The early literacy bookmobile provides a foundation of service to young patrons and their families in the service area. The "blue bus" as it is affectionately known visits 17 local preschools and daycares during the school year, and attends local RCS camps in the summer months providing a public library experience for patrons who may otherwise be limited in their time to visit the main library building. The new vehicle was designed and manufactured by Winnebago and includes an ADA-accessible wheelchair lift and an awning for storytimes. The planning process was efficient, thorough, and completed on budget (total costs was \$200,000). The old 2001 blue bus has been posted for resale on a government surplus auction site and will conclude on June 11, 2025. The ribbon cutting for the new early literacy bus will take place on June 14th at noon, immediately before the summer reading kick-off party.

2. Phase II of Adult & Teen Services Updates

When RHPL embarked upon a refresh of the Adult and Teen Services department in 2024, it was intended to be a Phase I of a multi-phased project. The goal in 2024 was to complete approximately 80% of the furniture and space planning needs, saving the remainder of the upgrades for a subsequent year and only if the 2024 millage in Rochester Hills passed. Once the millage increase was confirmed with solid support from the community, the RHPL Board of Trustees approved a \$250,000 allocation in the 2025 budget. I am pleased to share the following updates in Phase II:

- Adding electrical outlets to 20 new tables
- Conference tables for each of the community conference rooms. Tables can be configured for various layouts and nested when not in use.
- Rolling and nesting chairs for each of the community conference rooms
- New screens and hubs for 5 of the 10 study rooms that will allow patrons to cast to the wall mounted screen for things like presentations, remote meetings, or shared online workspaces.
- Pendant lighting added to the fireplace lounge
- New counter for reference desk
- Adding a second laptop bar/display station near teen services
- Updating study carrels and new seating in Quiet Room

3. Update on Building Improvements

I anticipate developing a 3-5 year plan for major updates and best practice is to work with a consultant to craft a master plan so that the projects flow in a logical manner. Ideally, that consultant would also serve as an owner's representative. This month I interviewed a local building consultant and plan to interview a second one. In addition to the engineering team (Synergy) that completed the facilities condition assessment, RHPL should have a mix of consultants from which to choose that can guide a masterplan and develop an RFP for an architectural firm.

I have arranged for the architectural team from HGA to present a summary of their Library Journal Design Institute charette to the RHPL board at the July meeting. The ultimate goal is to determine a short list of architectural firms to interview and name a general contractor as part of a comprehensive team.

The solicitation period for elevator modernization bids closes on June 26, 2025. I plan to recommend the elevator modernization project and portions of the HVAC to be updated in 2025 and will provide budget projections as soon as I have firm quotes. The elevator modernization has compliance standards due by the end of 2027.

4. MLA Board of Directors appointment

I am pleased to share that I was recently appointed to the Michigan Library Association (MLA) Board of Directors to fulfill the remaining term of another board member that accepted a different position. MLA is the preeminent association for library professionals in the state. They have received exceptionally high marks for their advocacy work and commitment to professional development. My term began this June and will conclude on June 30, 2026. This is the second time I will have served on the board of directors (the first taking place from 2016-2019, before my tenure at RHPL). I am honored to be a part of the board of directors this term since one of the major goals is to select a new executive director for the association pending the retirement of Debbie Mikula.

5. Out of Office

I will be out of the office on June 12, 2025 attending an MLA board meeting in Gaylord, MI. Additionally, I will be out of the office July 1-5, 2025 for a personal vacation. Staff members in charge are as follows:

- Friday, June 12, 2025 Camille Westmore, Library Accounting & Benefits Coordinator
- Tuesday, July 1, 2025 Betsy Razckowski, Head of Communications & Engagement
- Wednesday, July 2, 2025 Derek Brown, Director of IT
- Thursday, July 3, 2025 Brittany Christofel, Circulation Manager

6. Upcoming Events

June 14, 2025	Early Literacy Bus ribbon cutting and Summer Reading Kickoff, 12pm
June 24, 2025	Friends of RHPL Board Meeting, 7pm
July 4, 2025	Library is closed in observance of Independence Day
July 8, 2025	RHPL Board of Trustees Meeting, 7pm
