

Acorn TV brings world-class mysteries, dramas, and comedies from Britain and beyond to library patrons through a streaming video service to any Web-connected device.

From your computer go to <http://rochesterhillsmi.rbdigital.com/>

From your mobile device go to your app store and download the RBdigital app and follow the set-up instructions.

Click on Register in the upper right corner.

If you already have an account then sign in. Please note, if you have been using RBdigital for Magazines, you will need to add a second profile. Click on the 3 horizontal lines in the upper left, choose My Account, then Profiles. Click the plus sign, login, enter your username and select Rochester Hills Public Library and enter your password.

Once you are up and running, go to the menu, then Entertainment, and select Acorn TV.

From your mobile device, get the Acorn TV app and follow directions.

From your computer, select a show to watch (any show) and check it out. This will allow you to set up a password for Acorn TV and check out a 7 day pass. You are now logged into Acorn TV and you can choose any show to watch.

For Smart TVs, ROKU, Fire TV Stick, and others, use your email and Acorn password as made above.

You will be able to browse content, search for something specific, and check the schedule for new or departing content. Depending on your device, look for your menus.
